

Oscillating Bobbin

LAGUNA

Features

Main spindle support runs on precision bearings and is oscillated by the 25mm spindle oscillation provides a scratch-free finish

Perfect for detailed sanding projects a heavy duty worm & gear mechanism for consistent performance

Oscillation gears run in a sealed lubricated gearbox to prolong life

Table tilts to 45° to accommodate bevel sanding projects

Built-in storage racks keeps spindles & inserts handy

Specifications

Motor: ½ HP, 240 Volt, 7.5 Amp.

Oscillation stroke: 23.8mm

RPM: 1440

Oscillations per min: 29

Table size: 368.3 x 368.3mm

Table tilt: 45°

Table height: 990.6mm

Bonus Spindle: 76.2mm

Inserts: 5

Bonus Spindle: 76.2mm

Dust-Port: 50.8mm

Footprint: 635 x 635mm

Spindles: 6.35mm, 12.7mm, 15.88mm, 38.1mm, 50.8mm and 75mm

Weight (Net/Ship): 29.9/33.1kg
